

## Activity 4: Let's Recall

### Instructions:

Write the events from the box below in the correct order.

Fritz takes Jenny to his family home.  
There is a violent storm shortly after the ship set sail.  
The rainy season arrives on the island.  
The family manages to build a raft and landed safely on an island.  
They decide to build their home there.  
Ernest discovers a cave that contained rock salt.  
They are attacked by a boa constrictor which is more than forty feet long.
